Umm, blood?

646. Anonymous Brain 2009/05/23(Sat) 16:35:14 ID: brain

>>101

Yes

There are people who visualize "blood" and also people who think of "spells". So what they do isn't really "magic". Basically the amount of images is small, so if the visualization of that goes poorly it will result in errors.

Therefore, some volunteers have created this message board style mental space in order to soften the impact and make the visualization of minds go smoothly.

100: Hayakari Hiromi 2003/08/01(Sat) 04:49:00 ID:hichaya

Well, it's because it's hard to create a world all people would accept.
The conclusion was that a huge message board would have the best
affinity.
You were also able to understand the space, just you saw something
like it before, right?

667 Anonymous Brain 2003/08/03(Sat) 16:38:51 ID:ee U/I

There are people whose 'self' gets deconstructed immediately

お母さんから入院

の理由を説明されたけれど、退院の時間をきめて、

何だか情報があり明瞭じゃない。僕の父は、今日はお見舞いに、小学生の孫が来ているみたいだ。八十を過ぎるだろうが、白髪がきれいなおばあさんが臥している。長い入院生活している間に、認知症を発症してしまっただけだ。次はおあちゃんだよ、お母さんの、す……す……すい

か「からず、はい、またすー」……「比呂美は大丈夫さ。ご飯ちゃんと食べてるさ。うん、と聞くだけで私が何も言わたいのよ、お母さんも、そう」と頷くしかない。す……す……スズメ。眼

鏡。猫。コアラ。らっこ。

聞こえてくるしりとりをBGMに、私は携帯を手に取つ……朝井リョウ氏……掲載小説より抜粋

I AM A HERO

CHAPTER 258

Just with this, volume 25 is all dead! Now we wait for the next volume.

Reporting the last few pages

"I told of the 20th" is a collection of short stories by other mangaka. (I might translate this next.)

"I am a hero to break" is a short spin-off. I already translated it for you. As usual, it isn't as good as I wish.

"I am a hero to break" is also a collection of short stories by different writers. Yeah, next pages translate this one. Like that end of text is an excerpt from the novel. It's basically Ryouji visiting her mother in the hospital before the earthquake and a grandfather and grandmother playing shogi in the next last. So read you know.
